

Returning to School in August

We have been in Lockdown for the last few months because of the Coronavirus. This has meant that we have had to stay at home. Our schools and clubs and parks have all been closed. We have been having school lessons at home where our teachers have sent us work online and we have used google classrooms to keep in touch with our teachers and other pupils.

The Scottish Government are now talking about our schools reopening in August. This is a good thing because the school has all the right equipment and resources to help us learn. We will be able to go back to our classrooms and meet our teachers and friends in person again. It is important for us to try to interact with others face to face as this is a useful life skill to have.
