

Protective Clothing

Staff all need to wear certain clothing to keep everyone safe.

There are different types of protective clothing:

Face Masks

Gloves

Aprons

Staff wear a mask on their nose and mouth to stop dirt and germs spreading from person to person. They may look like this:

Staff wear aprons and gowns are to keep their clothes clean, like when you might wear an apron for painting or cooking. They may look like this:

Staff wear gloves so that they can keep their hands nice and clean and stop germs spreading from person to person. They may look like this:

Wearing all this protective clothing can make people look different. Staff will make sure that you know who they are.

There is no need to worry about protective clothing. The protective clothing will keep you safe and you don't have to feel afraid.

If you have any questions you can talk to staff.
