

# Wearing masks

I am going back to school after a long time at home. I have been staying at home because of the Coronavirus. It is now ok to go back into the school building.

Some things will be the same in school and some things might be different.

Some adults might wear a mask but some might not.  
This is ok

Some visitors to our school might wear a mask. When they come to visit my class they might wear a plastic apron and gloves aswell.

This is ok.

This is to keep me and my friends safe from germs.
